Humane Society given \$1 million for shelter

The Ozaukee Humane Society is receiving a \$1 million donation to build a new animal shelter in Saukville, the society announced Tuesday.

John and Elizabeth Feith of Saukville are donating the money to build a shelter and adoption center for animals at Highway 33 and Dekora Woods Blvd. in Saukville.

The building will feature mostly cage-free housing for animals, classrooms, expanded adoption space and a veterinary clinic for shelter animals.

Feith is the founder of Wisconsin Pension and Group Services.

The donation comes on the heels of a \$50,000 donation from Jack and Patti McKeithan of Milwaukee.
